The Planning Inspectorate

31<sup>st</sup> January 2022

Dear Sir/Madam,

Planning Act 2008 (as amended) and the Infrastructure Planning (Examination Procedure) Rules 2010  
Application by North Somerset District Council (“the Applicant”) for an Order granting Development Consent.

I am writing in response to the letter of 28<sup>th</sup> January requesting further information on the Whitebeam trees. I should like to point out that if the proposal to provide a busway instead of a railway, as proposed by the Portishead Busway campaign, there would be no need to do anything to the Whitebeam trees in addition to all the other benefits of using buses instead of trains.

Yours faithfully,

Barry Cash

Portishead Busway Campaign
