Subject: TRO 50005
Date: 18 March 2019 15:08:58

Hello Mr Singleton

I am writing to oppose the building of The West Midlands Interchange on the green belt land near where I live (Coven) and work (Four Ashes).

The main reasons are:

- Loss of greenbelt land which is beautiful to look at and home to lots of wildlife and plants
- Massive increase in the amount of traffic on local roads that are already very very busy at peak times and when problems on M6
- Extra pollution from increased traffic
- Light and noise pollution which would most certainly be seen and heard from local villages and would be a massive problem in the evenings

Please consider alternative brownfield sites that are available.

Regards
Paul Beason.
