Dear Mr Ranger

**Planning Act 2008 (as amended)**  
**Four Ashes Limited**

**Application for an Order granting Development Consent for the construction of a Rail Freight Interchange and associated development (West Midlands Interchange)**

**Examination – Applicant’s Response for Deadline 4**

I refer to the procedural decision in the Rule 8 letter dated 4 March 2019 and enclose the responses and information from the Applicant for Deadline 4. This is being sent by email only, as agreed.

The documentation sent is as follows:

1. The Applicant’s Post Hearing Submissions in respect of the Compulsory Acquisition Hearing and Issue Specific Hearings 2 & 3 held on 5 and 6 June 2019 (**Document 14.1**);
2. The Applicant’s Post Hearing Submissions in respect of Issue Specific Hearing 4 held on 6 June 2019 (**Document 14.2**);
3. Minerals Resource Statement (**Document 14.3**) which is now agreed with the County Council, as referred to during ISH 4;
4. An updated Document List (**Document 1.3E**).

You will also recall that we submitted updated sailing reports submitted on 29 May (**Documents 13.1 and 13.2**). I note these are not yet available on the Planning Inspectorate website and would be grateful if you would confirm these documents have been accepted by the Examining Authority. I also note that one of the updated General Arrangement drawings (Plan 111, **Document 2.9K**) submitted on 21 May has not yet been allocated a Planning Inspectorate reference, whereas all of the other drawings have been. Please can you confirm this will be allocated a reference number and included in the Examination Library.

I would be grateful if you would confirm receipt of the enclosed documentation and look forward to hearing from you in that regard. In the meantime, please do not hesitate to contact

me using the contact details above or my colleague, Morag Thomson  
([moragthomson@eversheds-sutherland.com](mailto:moragthomson@eversheds-sutherland.com) or [REDACTED]), should there be any queries.

Yours sincerely
