Sirs,
ExQ3 3.1.1. THE APPLICANTS DO NOT INTEND PUTTING RAIL
INFRASTRUCTURE IN FOR 6 YEARS

With regard to the above application, it is clear that there is no evidence of a real need for the Rail Infrastructure in this area, and as suspected the landowner and developers just envisage a huge warehousing complex.

This is unacceptable on the many grounds that have been set out previously, the added congestion on the roads. noise, pollution to name a few.

Serious deliberation needs to be given as to whether this project fits in with the National Significant Infrastructure Project and the destruction of precious Green Belt Land.

Yours faithfully
Mary Jones
