Dear Sirs,

Please find below the response from City of Wolverhampton Council to the ExA's written questions for deadline 8 (21<sup>st</sup> August), specifically in relation to question 3.2.2;

3.2.2	City of Wolverhampton Council  <b>Deadline 8</b>	The ExA requests that Wolverhampton and Walsall Councils should review any revised information submitted by the applicant at Deadline 7 in response Question 3.2.1. Having done so, the Councils are requested to submit any comments that they wish to make on that revised information to the Examination at Deadline 8 and to confirm whether that revised information affects or alters their conclusions as to the significance of the effects of the development on air quality and on the AQMAs within their administrative boundaries.
<b>CWC Response</b>	CWC has reviewed the updated Air Quality Environmental Statement chapter and amended appendices, based on the revised results it can be concluded that the development is unlikely to result in the air quality objectives being exceeded in Wolverhampton, and the effect of the development on the Air Quality Management Area would not be significant.	

If you have any queries please do not hesitate to contact me or Ian Culley on 01902 555636.

Kind regards

Vijay Kaul
