**Subject:** I OBJECT to West Midlands Interchange proposal  
**Date:** 31 January 2020 16:18:30

---

Dear Sir,

I would like to object to the proposal for a West Midlands Interchange at Four Ashes.

The proposal ignores the fact that there are far better sites in Stoke on Trent and Birmingham and is only being proposed because the landowner is seeking to make huge profits.

The proposal is in the wrong place and needs to be stopped.

Regards

Steve Askew
