Subject: PLEASE DO NOT SANCTION THIS HUB !
Date: 03 February 2020 20:36:00

Dear Sir / Madam

The whole idea that this disastrous project should even merit consideration is totally outrageous !

Please deny the developers the right to change the proposal reading of MUST DEVELOPE to SHOULD DEVELOPE a Strategic Rail Freight Interchange. The M6 is already well over capacity in this area and the smart motorway is costing lives ! Please do not approve this disaster waiting to happen.

Regards

Nigel Mason.
