Subject: Change
Date: 31 January 2020 17:30:52

Dear sir my wife and I who [REDACTED] have just heard about the possible change of wording, from must to should, we email to you to protest against the change And would ask you to adhere to what the months of wrangling and meetings was all about, or better still cancel it altogether and give us the peace and quiet we desire, yours L and M HUNT.
