Dear Mike,

Network Rail representations in response to non-material change to the West Midlands Interchange Development Consent Order

Thank you for consulting Network Rail on the application for a non-material change to the West Midlands Interchange Development Consent Order.

Following discussion between Network Rail and CBRE, agents for the applicant, Network Rail is satisfied that the scope and detail proposed will not adversely impact upon Network Rail interests. On this basis we are able to confirm that there are **no objections** to the application.

I trust the above is useful; please let me know if you require any additional information.
Yours sincerely,

Michael Gradwell,
Town Planning Manager.
