Mrs A Addison
Clerk to Milton Malsor Parish Council
The Paddocks
Baker Street
Gayton
Northamptonshire
NN7 3EZ

Dear Mrs Addison

STRATEGIC RAIL FREIGHT

Further to my letter of the 30th June, 2016, I am writing to advise that Roxhill Developments intends to submit its Environmental Statement Scoping Report to the Planning Inspectorate in connection with its proposed Strategic Rail Freight Interchange on land to the north of the A508, west of M1 and east of the Northampton Loop railway line. The proposal will include the reconfiguration of Junction 15 on the motorway, as well as a bypass for Roade.

The submission will be made before the end of this month. It will be a publicly available document.

Formal public consultation will commence in December, but we would be pleased to attend an appropriate meeting of the Parish Council before then in order to explain the nature of the scheme and the likely timescale for its submission and consideration.

Please let me know if and when our attendance would best suit your Council.

Yours sincerely

John Holmes
