Is equity release just what you need?

Homeowners aged 55 plus could benefit from unlocking money from their home by:

- ✓ Releasing tax-free cash
- ✓ Maintaining home ownership¹
- ✓ Making no monthly repayments

Multi-award winning specialists Age Partnership can help homeowners decide if equity release is right for them, how much they can release and what impact it could have on the size of their estate – including their entitlement to means-tested benefits, either now or in the future.

Equity release may involve a lifetime mortgage or home reversion plan. To understand the features and risks, ask for a personalised illustration.

We provide initial advice for free and without obligation. Only if you choose to proceed and your case completes would a typical fee of 1.85% of the amount be payable.

¹You only continue to own your home with a lifetime mortgage, secured against your property.

Section 48 Planning Act 2008
Regulation 4 Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009 (as amended)

The Northampton Gateway Rail Freight Interchange Order 201X
NOTICE PUBLICISING A PROPOSED APPLICATION FOR A DEVELOPMENT CONSENT ORDER

Notice is hereby given that Roxhill (Junction 15) Limited of Lumonics House, Valley Drive, Swift Valley, Rugby, Warwickshire, CV21 1TQ (the "Applicant") proposes to apply to the Secretary of State (via the Planning Inspectorate) under Section 37 of the Planning Act 2008 for a development consent order ("DCO") to authorise the construction, operation, use and maintenance of a strategic rail freight interchange ("SRFI") including warehousing and associated highway works on land west of the M1 motorway at Junction 15 and east of the Northampton Loop Railway Line to include a bypass to the north of the village of Roade (the "Application").

- Up to 468,000 sq m (approximately 5 million sq ft) (gross internal area) of warehousing and ancillary buildings, with additional floorspace provided in the form of mezzanines;
- New road infrastructure and works to the existing road network, including the provision of a new access and associated works to the A508, a new bypass to the village of Roade, improvements to Junction 15 and to Junction 15A of the M1 motorway, the A45, and other highway improvements at junctions on the local highway network;
- Strategic landscaping and tree planting, including diverted public rights of way; and
