Dear Ms Mignano,

Thank you for the details of the ASI.

May I suggest inspection en route of Woodleys Farmhouse Day Nursery (NN7 2LW) and its access onto the A508?

This grade II listed property is a receptor for both the proposed main site and the bypass. Its already hazardous access would be worsened by proposed alterations to Blisworth Road allowing faster traffic flows past the entrance. Similar observations apply to the nearby drive access onto the A508 from Courteenhall House.

I hope this is useful.

Yours sincerely,  
Stephen Blyth
