**Subject:** Roxhill Northampton Gateway DCO: Deadline 6 submission by Network Rail in response to Action No. 5 arising from ISH4 [ADDGDD-Live.FID2721496]

Dear Madam or Sir

#### **Network Rail response to action 5 arising from ISH4**

Regarding new Requirement 32, Network Rail can confirm that it has no further comments on the wording that has been agreed between the Applicant and Rail Central following ISH4 (ref: email from the Applicant's solicitors, Eversheds, to the ExA dated 12 March 2019 and timed at 19:35). Network Rail understands that the new wording will remove reference to Network Rail and will therefore read as follows:

"32. If the Rail Central Order is approved by the Secretary of State prior to the approval of the details of works comprised in Works No 1 (1)(d) under requirement 8, the relevant planning authority will only approve the details if satisfied that the works are compatible with the Rail Central development (meaning that the works do not prevent the construction of a new railway line from the Rail Central development to connect with the existing Northampton Loop railway line)."

Yours faithfully

Addleshaw Goddard LLP
