Subject: RE: Northampton Gateway Rail Freight Interchange (TR050006)

Dear Sir/Madam,

Our reference: 20011193

Thank you for sending Natural England your 'Notification of a change to the Examination Timetable and request for further information' letter.

We note your change to the examination timetable. Natural England can confirm that we do not wish to comment on the further information as requested, since these matters do not relate to our Statement of Common Ground as signed by John Torlesse on 02 November 2018, or any concerns we have previously highlighted relating to Northampton Gateway NSIP.

Kind regards,

Anna Bush

We are here to secure a healthy natural environment for people to enjoy, where wildlife is protected and England's traditional landscapes are safeguarded for future generations.

Natural England offers two chargeable services - the Discretionary Advice Service ([DAS](#)), which provides pre-application and post-consent advice on planning/licensing proposals to developers and consultants, and the Pre-submission Screening Service ([PSS](#)) for European Protected Species mitigation licence applications. These services help applicants take appropriate account of environmental considerations at an early stage of project development, reduce uncertainty, the risk of delay and added cost at a later stage, whilst securing good results for the natural environment.
