Subject: Application by Roxhill (Junction 15) Limited for an application for a DCO for the Northampton Gateway RFI: Update on behalf of Network Rail Infrastructure Limited (Reference No. 20011154) [ADDGDD-Live.FID2721496]
Date: 05 April 2019 11:20:23

Dear Madam or Sir

We act for Network Rail Infrastructure Limited (**Network Rail**) in relation to the application for an Order granting development consent for the Northampton Gateway RFI (**Order**).

We write to provide an update to the Examining Authority in advance of the closure of the Examination.

Network Rail is holding advanced discussions with the undertaker, Roxhill (Junction 15) Limited, regarding the content of a framework agreement to be entered into between the parties. Once the framework agreement has been entered into, Network Rail anticipates that it will be able to withdraw its representation about the application for the Order within 3 working days of the completion of that agreement.

Network Rail will update the Examining Authority and, as appropriate, the Secretary of State, accordingly.

We have copied the undertaker's solicitors to this email.

We would be grateful if you could acknowledge receipt of this email.

Yours faithfully

Addleshaw Goddard LLP
