My name is Sarah Czapski. I live at [REDACTED]

I am writing to express my strong opposition to the proposed amendment requested by SEGRO to the original Development Consent Order (DCO) granted in October 2019 for the Northampton Gateway.

I am deeply concerned by the dramatic increase in pollution this conversion from rail to road will cause and impact on our air quality. It will also drastically increase HGV traffic through the village which will impact residents daily lives and happiness.

I seek your support in opposing this change.

Kind regards,

Sarah Czapski
