Subject: Consent Order (DCO) granted in October 2019 for the Northampton Gateway.
Date: 23 September 2022 11:11:18

I am writing to strongly object to the proposed amendment requested by SEGRO to the original Development Consent Order (DCO) granted in October 2019 for the Northampton Gateway.

The SEGRO proposal is in breach of the National Policy Statement for National Networks, When this application was granted, it clearly stated that: 'a rail terminal capable of handling at least four trains per day must be operational prior to of any of the warehousing' being used and it specifically prohibited any commercial activity until the rail connection was being used..

This change indicates utter contempt of the planning permission granted and I would expect this to be totally rejected.
