The Planning Inspectorate implements a process which is governed by the Planning Act 2008 and related legislation. Whilst we make every effort to ensure that our public information is written in language that is easy to understand, it is also necessary to refer to some of the terms that are used in the Planning Act 2008. These are words and phrases that may not be familiar to everyone but they will be used during the *Examination* by legal representatives, Inspectors and others.

To be valid, the fully completed form must be received by the Planning Inspectorate by the deadline stated at the top of this form.

We protest most strongly to the proposal.
The Common land in the area has been a place for the people to enjoy during both of our life times, and will be completely spoiled for our grand children, and generations to follow.
Secondly the extra traffic passing through Burbage, Hinckley, Earl Shilton, Elmsthorpe, and other villages will be catastrophic in spite of what re-assurances are given by the proposers.
This proposal must not be allowed to go through.

Please check that you have completed all relevant sections, otherwise you may not be able to take part in the later stages of the *Examination*.

The Planning Act 2008 process is primarily a written *Examination* process and if you are registered as an *Interested Party* you will have an opportunity, later in the *Examination* process, to provide a more detailed *Written Representation*.

You cannot reserve a right to make a *Representation* later without providing a summary of the points you intend to submit at this stage.

Your *Representation* should take the form of a summary of what you agree with and/ or disagree within the *application*, and any impacts you think it would have.

Please note that your *Representation* **must not** include material that is:

- vexatious or frivolous;
- about compensation for Compulsory Acquisition of land or of any *interest* in or right over land; or
- about the merits of policy set out in a National Policy Statement.

The information you include in the *Representation* section of this form will be used by the *Examining Authority* to carry out its *Initial Assessment of Principle Issues* and to decide the best way to examine the *application*.

The Planning Inspectorate aims to communicate with people by email wherever possible, as electronic communication is more environmentally friendly and cost effective for the Planning Inspectorate as a government agency, given the volume and frequency of letters it needs to send to *Interested Parties* during an *Examination*. **Therefore if you provide an email address we will use this.**

If you say that you agree to receive communications by email, you can change your mind later provided you give us seven days notice, either in writing or by email.
