Picture 1: Leicester Road (B4669) and the junction of Church Street. Large articulated HGV mounts kerb and has to drive over the junction of Church Street in order to be able to get around.

Picture 2: Same articulated HGV driving over the road junction.

Picture 3: Just off the junction of Church Street, several cars parked on the pavements, two large vehicles trying to pass (whilst one is parked fully on pavement)

Picture 4: Junction of Stanton Road, delivery HGV causing traffic backlog whilst attempting to turn down small side street.

Picture 5: Traffic build up on Church Street/Leicester Road (B4669)

Picture 6: Junction of Leicester Road (B4669) and Church Street, large waste lorry mounting pavement to pass parked trailer and cars.

Picture 7: Tractor & trailer mounting kerb as driving round traffic slowing measures on Leicester Road (B4669)

Picture 8: School bus driving over lane road markings whilst oncoming van has to break to standstill on Leicester Road (B4669).

Picture 9: Build-up of traffic on B4669 due to large vehicles approaching and several cars parked on the road.

Picture 10: Traffic build up at crossroads on B4669, vehicles parked fully on pavement on both sides of the road, severely limiting pedestrian access.
