Sapcote Parish Council (UR 20039514) wish to appear at an Open Floor Hearing. Wider points maybe made for us by CPRE Leicestershire at the Issue Specific Hearings to avoid duplication. The subjects we would want to address are:  
adverse effect of traffic increases from the development, particularly through Sapcote,  
additional induced traffic which would be likely to pass through our village  
safety concerns resulting particular from HGVs  
particular impact on the villages most vulnerable residents  
impact on vulnerable road users  
impact of the development on the local environment (noise, pollution landscape)  
loss of local amenity in terms of access to and enjoyment of the local countryside and open spaces  
We are not limited to appearing at the current dates, but would prefer 30 Oct hearing. We expect to appear in person.
