Dear Hinckley NRFI Case Team

Re: Application by Tritax Symmetry (Hinckley) Limited for an Order Granting Development Consent for the Hinckley National Rail Freight Interchange

With respect to Deadline 1 of the examination process for the above application, please find attached the following documents submitted by Leicestershire County Council:

- Written Representation
- Summary of Written Representation
- Local Impact Report
- List of proposed attendees at the forthcoming Open Floor Hearings, Issue Specific Hearings and Compulsory Acquisition Hearing
- Suggestions for locations for an Accompanied Site Inspection (ASI)

Leicestershire County Council respectfully requests that the Examining Authority (ExA) visit the locations as suggested in the attached document on the ASI. These locations are suggested on the basis that they will provide the ExA with an overview of the Local Road Network as impacted by the development proposals.

Please do not hesitate to contact me should any further information be required.

Kind regards
