

Visit within Aston Firs Traveller Site, owned by Leicestershire County Council. To view the impacts of the scheme on this community, specifically in respect of noise and vibration, air quality and lighting impacts. This will likely need to be an accompanied site visit to arrange access with Leicestershire County Council's liaison officers.

Visit key junctions such as J3 M69 / J21 M1 during school term time at rush hour to witness the traffic issues at those junctions.

Visit Narborough Level Crossing during school term time at rush hour to witness barrier down time traffic issues.

Visit within Burbage Common, including along U51 Bridleway to view the visual, noise and health impacts on users of the Common.
