Planning Act 2008

The Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009  
Regulation 5(2)(h)

## 1. Introduction

- 1.1. This document has been prepared to provide the status of negotiations and discussions as at Deadline 2 (24 October 2023) regarding the land and rights required for the authorised development and is provided in the form agreed with the ExA at the Preliminary Meeting 12 September 2023.
- 1.2. An updated version of this document will be provided at Deadline 7 as requested by the ExA In its Rule 8 letter.
- 1.3. As will be apparent from some of the entries in the table below and as previously notified to the ExA, the Applicant is aware of some ownership updates since it undertook its land referencing exercise in preparing the Book of Reference submitted with the Application these changes are reflected in the table below and in the updated Book of Reference submitted at Deadline 2 (Document reference 3.4B). The changes include:
  - 1.3.1. Interests previously held by Caroline Margaret Hebblethwaite, David William Hebblethwaite, James Daniel Hebblethwaite and Sarah Margaret Hebblethwaite are now referred to as being held jointly by these parties alongside reputed owner Network Rail Infrastructure Limited on plot 22a. This new plot was created as a result of making the changes requested by Network Rail to reflect Network Rail's ownership pursuant to their records. However, the plot is also still within the legally registered title of the owner of plot 22 and therefore the Applicant considers that the correct legal position is to list both Network Rail and the registered proprietor as "reputed owners" until the ownership can be clarified at HM Land Registry. The Applicant acknowledges that this is an alteration to the extent of powers proposed over plot 22a from acquisition of existing rights to acquisition of all interests, however, the Applicant has made this change at the request of Network Rail Infrastructure Limited (the only new interest noted to be subject to the powers) to alter the plot alignments based on their title records and therefore the Applicant considers that no consultation is required under the CA Regulations. The Applicant is seeking Network Rail's written confirmation that it agrees with the approach given the change was made at their request.
  - 1.3.2. Department for Environment, Food and Rural Affairs has been removed as a beneficiary of rights, easements and privileges on plot 36, please see Statement of Reasons (document reference: 4.1C) for a full explanation, together with the Applicant's Update on Crown Land submitted at Deadline 1 (Appendix H to the Applicant's Post Hearing Submissions, Document 18.1.8).
  - 1.3.3. Department for Environment, Food and Rural Affairs has been removed as a beneficiary of rights, easements and privileges on plot 53, please see Statement of Reasons (document reference: 4.1C) for a full explanation, together with the Applicant's Update on Crown Land submitted at Deadline 1 (Appendix H to the Applicant's Post Hearing Submissions, Document 18.1.8).
  - 1.3.4. Treasury Solicitor has been removed as a freeholder on plot 127, please see Statement of Reasons (document reference: 4.1C) for a full explanation, together with the Applicant's Update on Crown Land submitted at Deadline 1 (Appendix H to the Applicant's Post Hearing Submissions, Document 18.1.8).

- 1.3.5. Treasury Solicitor has been removed as a freeholder on plot 131, please see Statement of Reasons (document reference: 4.1C) for a full-explanation, together with the Applicant's Update on Crown Land submitted at Deadline 1 (Appendix H to the Applicant's Post Hearing Submissions, Document 18.1.8).
  - 1.3.6. Treasury Solicitor has been removed as a freeholder on plot 132, please see Statement of Reasons (document reference: 4.1C) for a full explanation, together with the Applicant's Update on Crown Land submitted at Deadline 1 (Appendix H to the Applicant's Post Hearing Submissions, Document 18.1.8).
  - 1.3.7. Treasury Solicitor has been removed as a freeholder and occupier on plot 133, please see Statement of Reasons (document reference: 4.1C) for a full explanation, together with the Applicant's Update on Crown Land submitted at Deadline 1 (Appendix H to the Applicant's Post Hearing Submissions, Document 18.1.8).
  - 1.3.8. Treasury Solicitor has been removed as an occupier on plot 135, please see Statement of Reasons (document reference: 4.1C) for a full explanation, together with the Applicant's Update on Crown Land submitted at Deadline 1 (Appendix H to the Applicant's Post Hearing Submissions, Document 18.1.8).
- 1.4. Column 14 of the table below refers to "Agreement reached". The Applicant has marked this column with "Y" where Heads of Terms are agreed, although there are some instances where those Agreements have not been exchanged or completed (and therefore the Book of Reference cannot yet be amended to remove compulsory acquisition powers). Column 13 explains the latest position on any legal agreements.
