

HINCKLEY NATIONAL RAIL FREIGHT INTERCHANGE

Statement on HGV fly-parking issues, by Blaby District Council (IP ref. 20040018). Response to Action Point 69 of HNRFI DCO Examination (ref. TR05007).

Deadline 3 - November 14, 2023

HGV fly-parking statement

Further to Issue Specific Hearing 2, the Examining Authority (“ExA”) requested information on any HGV parking issues that the Blaby District may experience.

The Council have consulted with officers from Blaby District Council in Planning and Environmental Health and officers from Leicestershire County Council Parking Management Department. Historically, fly-parking was a significant issue in certain parts of the Blaby District. Recently, some complaints of HGV fly-parking have been received sporadically at Blaby where concerns of littering and defecation have been raised. Notwithstanding this, there are no identified ‘hot spots’ where investigations are on-going.
