Construction hours

At Issue Specific Hearing 5, the Examining Authority (“ExA”) requested the Council and the Applicant discuss the possibility of provisions within the dDCO to secure construction hours in relation to the phases of the Proposed Development.

The Council have consulted with the Applicant and both parties have agreed to discuss this matter at a meeting on 22 November. The Council are mindful of the need to present the ExA with a clear understanding of either an agreed position or differing positions and will be in a position to do that following the planned meeting. The Council will provide the ExA with an update by Deadline 4 at the latest.
