2.5.8	Statutory Undertakers	<p>Schedule 13 – Protective provisions</p> <p>All statutory undertakers are asked to consider the drafting applicable to them in this Schedule. If they are not content with the drafting they are asked to set out: a) why they consider the drafting deficient; and b) set out alternative drafting which would satisfy them, explaining it and how it would resolve their issue.</p>	<p>Following further negotiations with the Applicant Cadent is able to confirm that only minor drafting points are outstanding and it is expected that agreement will be reached shortly with agreed protective provisions that are to appear on the face of the DCO being able to be included in the next version of the dDCO.</p>
