Dear Sir/Madam

The Infrastructure Planning (Examination Procedure) Rules 2010 (as amended) – Rule 17

Response to Request for Further Information

Hinckley National Rail Freight Interchange

We act on behalf of Cadent Gas Limited ("Cadent") in relation to the application for the Hinckley National Rail Freight Interchange DCO (the "**Application**").

Cadent has previously submitted a Relevant Representation, a Written Representation (REP1-071), a Deadline 3 Submission (REP3-103) and a Deadline 5 Submission (REP5-084) in this matter.

With reference to the content of those previous submissions, we confirm that commercial terms between the Applicant and Cadent have been agreed, and that these have now been formalised by way of a completed agreement. There is no disagreement regarding the protective provisions benefitting Cadent, and provided they are included on the face of the Order when made, Cadent has no outstanding concerns.

Please accept this letter as Cadent's formal notice of the withdrawal of their existing representations regarding the Application. For the avoidance of any doubt, the Examining Authority should place no weight on any of the withdrawn representations.

We would be grateful if receipt of this letter could be acknowledged.

Yours faithfully

Gowling WLG
