Dear Sir or Madam

Planning Act 2008 Tritax Symmetry (Hinckley) Limited Hinckley National Rail Freight Interchange

In our submissions to the Examining Authority as part of the Hinckley National Rail Freight Interchange DCO Examination, we included a combined letter from Tritax Symmetry (Hinckley) Limited and Maritime Group (REP8-012, Appendix 1) confirming the imminent exchange of legal documents to operate the Rail Freight Terminal associated with the scheme.

We are now writing to confirm that legal exchange of these documents has now occurred.

Yours sincerely

Jonathan Wallis

Director, for Tritax Symmetry (Hinckley) Limited
