**Subject:** TRO50007 Application, My objection after applicant supplied further information  
**Date:** 28 December 2024 10:17:22

---

[REDACTED]

The various changes to the application will be insignificant when compared to the irreparable damage wrought to the communications, countryside and communities surrounding this unjustifiable development if permission was granted.  
I urge HM Planning Inspectorate that denying this speculative, ill-thought-out scheme would be the right outcome for the environment & thousands of local residents.  
Yours most sincerely  
Kevin Taylor, Interested Party No. 20037764
