Dear Sir,

I would like to register my protest, in the strongest possible terms, about the Tritex Symmetry Proposal of development. (The National Rail Freight Interchange Project)

The added aggravation of road traffic in the villages of Elmsthorpe ~ Sapcote ~ Stoney Stanton, and Earl Shilton, and roads leading into Burbage and Hinckley, which, as anyone can see, is almost at a stand-still in peak periods now, and bad enough at other times of the day, would result in complete "Lock Down"

Apart from the added traffic problems, the loss of even a small part of BURBAGE COMMON, or any encroachment upon it whatsoever is simply NOT acceptable. Once we lose these precious open spaces ~ they are gone forever. And so sir, my answer is a firm NO to the proposal.

Yours sincerely,
