Dear Ms Scott,

Thank you for your email to the Planning Inspectorate in regard to the Hinckley National Rail Freight Interchange project.

Hinckley National Rail Freight Interchange is currently in the Pre-application stage of the Planning Act 2008 process. The Pre-application period is Applicant led so it is at their discretion when they submit an application to us and how long the period prior to that takes.

For more information on the process as a whole please read [Advice Note 8: Overview of the nationally significant infrastructure process](#) and the Advice notes 8.1 to 8.6.

For more information about the pre-application process please read: [Planning Act 2008: guidance on the Pre-application process](#).

I hope the above information is helpful and please do let me know if you have any further questions.

Thanks,
Liam

Please can you advise if there is any limit on the number of times the application can be pushed back.

Kind regards

Sharon Scott

Local Resident.
