Dear Madam/Sir

**East Northants Resource Management Facility Western Extension. Project reference WS010005**

**Consultation from 26 October 2020 to 14 December 2020**

**Section 42 Planning Act 2008**

Augean South Limited intends to submit an application for a Development Consent Order for the alteration and construction of hazardous waste and low level radioactive waste facilities at the East Northants Resource Management Facility, Stamford Road, Northamptonshire.

*The Project*

The ENRMF site is an established operational landfill site which accepts hazardous waste and low level radioactive waste. The site also includes an established waste treatment and recovery facility. The application for a new Development Consent Order will be for an extension in the area and timescales for the operation of the site including an extension to the west of the existing site and increasing the throughput of the waste treatment and recovery facility.

*Notice under Section 46*

Please treat this letter as notice to the Planning Inspectorate under Section 46 of the Planning Act 2008 (the **Act**), with reference to the Applicant's proposed application in relation to the Project. In accordance with Section 46 of the Act, please find attached a copy of the documents to be supplied to consultees pursuant to the Applicant's duty to consult under Section 42 of the Act:

1. Preliminary Environmental Information Report (PEIR).
2. Non-Technical Summary of the PEIR
3. Formal Notice of the Project proposal to be publicised in accordance with Section 48 of the Act.
4. Statement of Community Consultation
5. Public Information Leaflet

FS 23915

The period for consideration and response to these documents will run from 26 October 2020 to 14 December 2020.

We would be grateful for your confirmation that this letter and the accompanying documentation fully satisfy the requirements of Section 46 of the Act. If you wish to discuss this or any other issues in connection with the Project, please contact [REDACTED] on [REDACTED]

We look forward to hearing from you.

Yours faithfully

Dear [REDACTED]

**Planning Act 2008 (as amended) - Section 46 and The Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 - Regulation 8**

**Proposed application by Augean South Limited for an Order Granting Development Consent for the East Northants Resource Management Facility Western Extension**

**Acknowledgement of receipt of information concerning proposed application**

Thank you for your letter of 26 October 2020 and the following documentation:

- Preliminary Environmental Information Report (PEIR).
- Non-Technical Summary of the PEIR
- Formal Notice of the Project proposal to be publicised in accordance with Section 48 of the Act.
- Statement of Community Consultation
- Public Information Leaflet

I acknowledge that you have notified the Planning Inspectorate of the proposed application for an order granting development consent for the purposes of section 46 of the PA2008 and supplied the information for consultation under section 42. The following reference number has been given to the proposed application, which I would be grateful if you would use in subsequent communications:

WS010005

I also acknowledge notification in accordance with Regulation 8(1)(b) of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 that you propose to provide an environmental statement in respect of the proposed development.

I will be your point of contact for this application.

The role of the Planning Inspectorate in the application process is to provide independent and impartial advice about the procedures involved and to have open discussions with potential applicants, statutory bodies and others about the processes and requirements of the new regime. It is important that you keep us accurately informed of your timetable and any changes that occur.

We will publish advice we give to you or other interested parties on our website and, if relevant, direct parties to you as the applicant. We are happy to meet at key milestones and/or provide advice as the case progresses through the pre-application stage.

Once you have prepared draft documents we are able to provide technical advice, in particular on the draft development consent order, explanatory memorandum, the consultation report and any draft HRA. You may therefore wish to build this into your timetables.

In the meantime, you may wish to have regard to the guidance and legislation material provided on our website including the Infrastructure Planning (Fees) Regulations 2010 (as amended) and associated guidance, which you will need to observe closely in establishing the correct fee to be submitted at the successive stages of the application process.

When seeking to meet your pre-application obligations you should also be aware of your obligation under the current data protection legislation to process personal data fairly and lawfully.

If you have any further queries, please do not hesitate to contact me.

Yours sincerely

This communication does not constitute legal advice.  
Please view our [Privacy Notice](#) before sending information to the Planning Inspectorate.
