- River Basin Management Plan water body catchment boundaries

**Regulation 5(2)(l)(iii)**

**Notes:**  
 The River Basin Management Plan (RMBP) relevant to the site and surrounding area is the Anglian RMBP.  
 The area the subject of the application for the Development Consent Order (DCO) is located in part of the surface water catchments of the RMBP water bodies Wittering Brook and Willow Brook (Nene). No other RMBP water bodies or their catchments occur within the area the subject of the application for the DCO.

The RMBP water body Wittering Brook includes Wittering Brook and White Water Brook.

The RMBP catchment boundaries and water body extents are taken from the EA catchment data explorer webpages (<https://defra-cde-beta.publishmydata.com/catchment-planning>)

Details for each water body are presented on the associated table.
