

**Key / Notes**

- Boundary of the area the subject of the application for the Development Consent Order
  - Approximate phase boundaries for the existing ENRMF already constructed
  - Approximate phase boundaries for the existing ENRMF to be constructed
  - Approximate phase boundaries to be constructed in the proposed western extension
  - Approximate route of haul roads
  - Current surface water collection areas
  - Existing gas flare and surface water pumping compound
  - Work No 2 limit of deviation
- The locations of conveyors, storage tanks, silos, mixers, hoppers and other plant and facilities are not fixed and are shown for illustration only.

| Main infrastructure item | Typical height (m) |
|--------------------------|--------------------|
| Silos                    | 14                 |
| Control cabin            | 6                  |
| Mixers                   | 7                  |
| Hoppers                  | 7                  |
| Storage tank             | 10                 |
| Lighting towers          | 8                  |
