Dear Madam/Sir

**East Northants Resource Management Facility Western Extension – Submission of the application**

Please find enclosed an application for development consent by Augean South Limited for the alteration and construction of hazardous waste and low level radioactive waste facilities at the East Northants Resource Management Facility, Stamford Road, Northamptonshire.

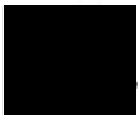

The Application comprises the documents listed in the enclosed application index which also is provided electronically. A copy of the guide to the application is attached to this letter for information. The application documents have been uploaded to We Transfer and can be downloaded from a link which will be provided under separate cover. Please note that this link will expire after 7 days.

The initial application fee of £7,263 has already been sent to the Planning Inspectorate and was paid by Augean by BACS using the following reference "Project reference WS010005".

We trust that the application documents include all of the information necessary for the Planning Inspectorate to progress the application. We look forward to hearing from you.

Should you have any queries or need any paper copies please do not hesitate to contact us.

Yours faithfully

Leslie Heasman
