Good morning,

Please find below Natural England's answers to questions directed to us in the ExQ2 table:

Q1.3 – Please provide an update on outstanding matters in the SoCG.

**Natural England have provided all comments regarding the SoCG, both from our Sustainable Development Team and our Wildlife Licensing Team.**

Q3.1- Please provide an update on progress towards the issue of a LONI for the Great Crested Newt licence application.

**A Wildlife Adviser has been assigned to assess the draft application and will issue a response within 30 working days, if not sooner. Certainly it will be in advance of the PINS deadline 6 on 22<sup>nd</sup> June 2022.**

If you have any further queries, please let us know.

Kind Regards,

**Emily Butterwick, BSc**
