

APPENDIX SES2.1
SUPPLEMENTARY STATEMENT OF COMPETENCE
PINS document reference: 14.6.2.1

Appendix SES2.1 Supplementary Statement of Competence

1. Regulation 14(4) of The Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 states that:

‘(4) In order to ensure the completeness and quality of the environmental statement—

(a) the applicant must ensure that the environmental statement is prepared by competent experts; and

(b) the environmental statement must be accompanied by a statement from the applicant outlining the relevant expertise or qualifications of such experts.’

2. This Environmental Impact Assessment (EIA) and the subsequent Environmental Statement (ES) have been prepared by specialist and competent experts in their own fields. The technical specialists who have carried out the assessments for the EIA are listed at Appendix ES1.1 to the ES (PINS document reference 5.4.1.1) (APP-078). The relevant previously identified specialists together with one additional specialist have been involved in the assessments the subject of this Supplementary Environmental Statement. The details of the additional specialist are provided below:

Pipeline engineering

3. The engineering aspects of the assessment of the effects of the development of the Augean site on the Anglian Water Services water mains has been prepared by Pipetechnics Ltd. Pipetechnics Ltd was established in 2017 and is a specialist, independent consultancy specialising in structural pipeline design. The Director who has carried out the assessments holds a BEng (Hons) in Civil Engineering and an MSc in Urban Engineering, and is a Fellow of the Institution of Civil Engineers and the Chartered Institution of Water & Environmental

Management. She has specialised in pipeline structural design for the water industry for more than 25 years, and has served on the British Standards committee for pipeline structural design for more than 10 years.
