Dear Sirs

APPLICATION FOR DEVELOPMENT CONSENT BY THAMES WATER UTILITIES LIMITED
FOR THE THAMES TIDEWAY TUNNEL

Written representation dated 20 May 2013 made on behalf of Canal & River Trust (Reference Number 10017870).

We have submitted the written representation detailed above (under section 102(4) of the Planning Act 2008) explaining its concerns and objections to the Thames Tideway Tunnel as an "interested party" (as defined in section 102 of the Planning Act 2008) for the purposes of the examination of the application for development consent made by Thames Water Utilities Limited.

We write to inform you that we have reached agreement with Thames Water Utilities Limited in relation to our concerns. Please accept this letter, therefore, as withdrawal of the representations detailed above. It has been agreed with Thames Water that nothing shall preclude us from commenting on or objecting to any subsequent proposed amendments to the development consent application. However, save in respect of any such amendments as may be made, we can confirm that we no longer wish to be treated as an interested party and will take no further part in the procedures relating to the application for development consent for the Thames Tideway Tunnel.

Yours faithfully
