DCO-DT-APP-ZZZZZ-301400

**Thames
Tideway Tunnel**

Creating a cleaner, healthier River Thames

1 Response to London Legacy Development Corporation Local Impact Report/Written representation

- 1.1.1 This section responds to the points raised in the Local Impact Report submitted by the London Legacy Development Corporation to the Examining Authority for the 4 November 2013 deadline with respect to the draft proposals at Abbey Mills Pumping Station. We note that this was resubmitted to the Examining Authority as a written representation in response to the Examining Authority's letter of 7 November 2013.
- 1.1.2 We are pleased to note that the London Legacy Development Corporation recognises the established principle of the works proposed at Abbey Mills Pumping Station, raises no objection to the works, and confirms that the application for development consent is in accordance with relevant planning policy.
- 1.1.3 We note the London Legacy Development Corporation's suggested conditions (or requirements), which we will review. We propose to issue a further updated version of the [Draft DCO](#) (Doc ref: 9.20.02) including Requirements following the DCO Hearings in late November.
- 1.1.4 We do not intend to submit any further comments on this Local Impact Report.
