Dear Sirs

**Planning Act 2008  
Thames Water Utilities Limited  
Compulsory Acquisition Required Documents Tracker**

At the Compulsory Acquisition Hearing on 29 November 2013 the Panel requested that the applicant provide a document that sets out the current status of the required documents for compulsory acquisition, given that some have been superseded or the subject of errata.

I have pleasure in enclosing document APP36 v1 that meets that requirement. We will update this at each submission after 2 December 2013, and amend the final number.

The document lists all the required documents down the left hand side. It also sets out when each version was submitted, and its document reference number. The latest version of each document is highlighted yellow and the latest compairite version is highlighted green.

If there are any queries arising from the above, please do not hesitate to contact me or Ian Fletcher on 020 8792 5568 or [ian.fletcher@thameswater.co.uk](mailto:ian.fletcher@thameswater.co.uk)

Yours faithfully

Phil Stride
