Dear Sir/Madam

Unique Reference Number: 10018671

We write in response to your email below.

National Grid Gas plc and National Grid Electricity Transmission plc have interests in all of the London Boroughs that will be affected by the compulsory acquisition proposals. However, National Grid proposes to attend and give oral representations in Week 5 of the Compulsory Acquisition Hearings (matters relating to section 127 of the Planning Act 2008).

We understand from your letter dated 18 November 2013 that a more detailed programme will be published on or before 6 January 2014 in respect of Week 5.

I should be grateful if you would acknowledge receipt of this email.

Yours faithfully
