Dear Sir

**Application for Development Consent by Thames Water for the Thames Tideway Tunnel Development Consent Order ("Order") (application reference WW010001)**

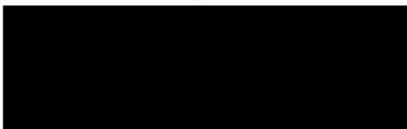

We are instructed by Transport for London ("TfL").

Our client, TfL submitted a relevant representation (as defined in section 102(4) of the Planning Act 2008) explaining their concerns and objections to the Thames Tideway Tunnel Development Consent Order as an interested party (also as defined in section 102 of the Planning Act 2008) for the purposes of the examination of the application for development consent made by Thames Water Utilities Limited ("TWUL"). The representation was received by the Planning Inspectorate on 6<sup>th</sup> November 2013.

We write to inform you that our client has reached agreement with TWUL in relation to their various concerns. Please accept this letter, therefore, as confirmation that the matters raised in our relevant representation reference detailed above and our further oral and written submission to the examination have been addressed and resolved to the satisfaction of TfL. Consequently, in accordance with section 102(1ZA) of the Planning Act 2008 we can confirm that our client, TfL no longer wishes to be an interested party in respect of the application for the Order. We can further confirm that TfL will take no further part in the procedures relating to the application for development consent for the Order.

Should you have any questions in relation to this letter please do not hesitate to contact Stephen Collings of these offices.

Yours faithfully

**Stephen Collings**
