Dear Sir/Madam,

The Thames Water Utilities Limited (Thames Tideway Tunnel Site) Order (SI:2014/2384): The amendment relates to the Victoria Embankment Foreshore (VCTEF) site and the Blackfriars Bridge Foreshore (BLABF) site

I refer to the consultation letter for the above non-material amendment to the DCO issued on 26 May 2020 for the Thames Tideway Tunnel sites at Victoria Embankment Foreshore (VCTEF) and the Blackfriars Bridge Foreshore (BLABF). Having reviewed the accompanying documentation, the proposals have been assessed as not raising any new strategic planning concerns or having any negatively impact on the London Plan (March 2016) or draft London Plan -Consolidated suggested changes version (2019).

On 26 June 2020, this consultation was considered under delegated authority from the Mayor. Having now considered the details of this case I raise no objection to the proposed amendments to the DCO.

Yours sincerely,

John Finlayson
