RE: Cambridge Waste Water Treatment Plant Relocation Project

Thank you for your consultation relating to the above scheme. The Canal & River Trust is a prescribed consultee for the purposes of s42(a) Planning Act 2008 for proposed applications likely to have an impact on inland waterways or land adjacent to inland waterways.

We are the charity who look after and bring to life 2000 miles of canals & rivers.

Having reviewed the location of the project and the relationship of the proposals with our network, we do not believe that the proposals as shown would cross land owned or operated by the Trust.

However, pursuant to the charitable objectives of the Trust, we support the preservation, conservation, and protection of inland waterways for the public benefit. We therefore advise that consideration is given to any response from the Inland Waterways Association, The East Anglian Waterways Association and Environment Agency.

Please do not hesitate to contact me with any queries you may have.

Yours sincerely,

Anne Denby MRTPI  
Area Planner
