Good Morning,

Apologies for the delay in responding to the adequacy of the consultation regarding the relocation of the waste water treatment plant in Cambridge.

It is noted that our views on the adequacy of the consultation are requested only at this stage and that the consultation date has now expired.

The three shortlisted sites for the proposed development are not considered to impact visually or otherwise have a material impact on other considerations of the authority area of North Northamptonshire due to the physical separation, being roughly thirty miles or so at the nearest point.

Therefore North Northamptonshire has “**no comments**” to make on the adequacy of the consultation or on the application [at this stage](#).

Kind Regards,

**Susie Russell** | Development Management Officer
