- 1.1.2 The Plans are included in the DCO application in compliance with Regulation 5(2)(i) of the Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009 (the “2009 Regulations”), which require:
- “5(2) The application must be accompanied by—

- (i) the land required for, or affected by, the proposed development;
- (ii) where applicable, any land over which it is proposed to exercise powers of compulsory acquisition or any right to use land;
- (iii) any land in relation to which it is proposed to extinguish easements, servitudes and other private rights;”
- 1.1.3 As these Plans are part of the application documentation, they should be read alongside and are informed by the other application documentation.
