SHH Submissions for Deadline 3 and Further Submissions

SHH has submitted the following at D3:

- SHH 32 Response to SCDC City LIR Amendments REP-2053 and REP2-044
- SHH 33 Response to SCDC City Response to SHH WR
- SHH 34 response to the Applicant's Response to Written Representations AW 8.13 REP2-038
- SHH 38 Comments on Applicant's Response to LIRs REP2-036
- SHH 37 (this document) SHH Submissions for Deadline 3 and Further Submissions

As the ExA is aware, there were difficulties in making some of the documents submitted at Deadline 2 available on the PINS website, which were not resolved until the Examination Library was published on 12th December. There are also outstanding actions and further submissions that the Applicant has in hand but are yet to be made.

SHH intends to make additional submissions on the following matters as soon as practicable:

- (i) Comments on parts of AW 8.13 Applicant's Response to WRs as noted in SHH 34. These relates to legal and policy compliance and will, where appropriate, refer to the Local Impact Reports submitted by the local authorities. SHH will also provide a further response in relation to the Strategic Carbon Assessment, following the Applicant's comments.
- (ii) Funding and Delivery Arrangements, where SHH is waiting for a response to SHH 22 and also to the deposit by the Applicant of the HIF Business Case, noted in the Examination Library as Cambridge HIF, [REP1-083], but which is not yet available.
- (iii) The latest dDCO, once SHH has had an opportunity to consider the Applicant's revisions to the dDCO being submitted at D3 and to discuss outstanding matters with the Applicant.
- (iv) The inclusion of the Waterbeach pipeline in the dDCO. SHH has recently received information concerning the provision of waste water treatment for the Waterbeach New Town, as presented in the Applicant's Statement of Requirements and other submitted documents.
