Dear Sirs

I refer to my e-mail of Friday. I understand that the Applicant has agreed to remove the deemed approval wording which was included within the Protective Provisions for Cadent in the last draft of the DCO. With this amendment that should address Cadent's concerns such that we should be able to withdraw Cadent's objection shortly. In the circumstances we do not now propose to attend tomorrow's hearing unless we can be of specific assistance to the ExA.

Yours sincerely

Good evening

Sorry for the late e-mail but I note that ExA would find it helpful for Cadent to attend the Compulsory Purchase Hearing on Tuesday. I am instructed by Cadent Gas Limited and instructed to appear virtually. The relevant item for Cadent is Agenda Item 5 statutory undertakers. My client is a Regulated Business and to minimise costs I wondered if there was an anticipated time for this section of the agenda that I could join rather than joining at the start and remaining in attendance at the hearing?

I look forward to hearing from you.

Kind regards

Vicky Fowler
