1 Introduction

1.1.1 The Compulsory Acquisition Schedule contains:

- All category 1 landowners, whether or not they have made a representation in respect of the dDCO, from whom the Applicant requires Compulsory Acquisition of land, Compulsory Acquisition of rights/restrictions, and/or Temporary Possession of land.
- Any other category 1, 2 or 3 persons who have made a representation in respect of the dDCO.
- All statutory undertakers who have made a representation.

1.1.2 The Compulsory Acquisition Schedule does not include category 1 lessees, tenants or occupiers who have not made a representation because such persons do not have the legal capacity to convey or grant the necessary land or land rights independently from the landowner and negotiations are therefore taking place in the first instance with the landowner. Engagement has still taken place with those parties.
