Dear Sir/Madam,

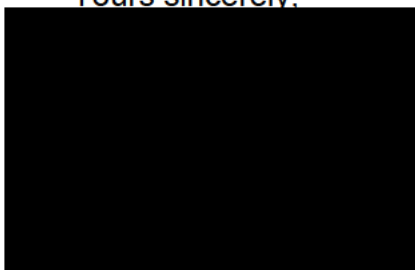

Application by Anglian Water (“the Applicant”) for an Order granting Development Consent for the proposed Cambridge Waste Water Treatment Plant Relocation.

I am writing on behalf of Cambridgeshire County Council (the Council) in response to the Secretary of State’s Request for Information on the Cambridge Waste Water Treatment Plant Relocation, set out in a letter dated 16th October 2024.

The Council wishes to highlight to the Secretary of State its closing submission to the Examination [REP7-109] which is most relevant to the questions posed. The County Council as one of the Host Authorities and the Minerals and Waste Planning Authority has no comment direct to the matter of the proposed changes to national planning policy and the weighting to attach now, or in the event they become adopted.

If you have any queries regarding this submission or require any further information, please contact NSIPs@cambridgeshire.gov.uk.

Yours sincerely,

Frank Jordan
Executive Director, Place and Sustainability
Cambridgeshire County Council
